PUBLIC ADVERTISEMENTS

OFFICE OF THE PRINCIPAL INFORMATION OFFICER TO THE GOVERNMENT OF MYSORE, PUBLIC OFFICES, BANGALORE.

Press Note.

Dated 20th January 1950.

Government wish to announce the settlement of the long-standing dispute between the Mysore Chemicals and Fertilisers Labour Association and the Management, as a result of the discussions initiated by the Hon'ble the Minister for Law and Labour. There was a meeting of all the parties concerned in the Chambers of the Hon'ble Minister for Law and Labour, on the 19th January 1950, and salient points of dispute were all amicably settled. Some of the more important points that were at issue and that were settled are, that the workers who were discharged on account of the break down would be treated as on permissible leave without allowances and will be permitted to resume work soon after the machinery is set right, that the President and the Secretary of the Labour Association would not be thrown out of employment, that the workers who have been thrown out of employment without any allowances might be advanced loans in accordance with the Provident Fund Rules of the Factory, that the criminal revision petition filed by the Labour Association would be withdrawn, and that a Labour Welfare Officer would shortly be appointed by the Government for the Factory. It was also agreed that in addition to the bonus already paid to the workers, the Management would make to each worker an *ex-gratia* payment equal to one month's wages and dearness allowance, this amount being paid to all employees including the hands now treated as on leave without allowances. It was also agreed that other points of dispute, if any, between the Management and the Labour Association would be referred to an Arbitration Board to be appointed by the Government.

OFFICE OF THE CHIEF ELECTRICAL ENGINEER TO THE GOVERNMENT OF MYSORE, BANGALORE.

Notification dated 25th January 1950.

No. G. N. 22. Sealed tenders will be received in the Office of the Chief Electrical Engineer to the Government of Mysore, Bangalore, up to 3 P.M. on 28th February 1950, from the firms dealing in copper tubular busbars for the supply of Copper Tubes of the following dimensions required in connection with the formation of High Tension Buses at Mysore.

100 feet Copper Tubes	3" outer dia. 2¾" inner dia. in standard lengths (Tenderers may quote for nearer size but thickness should be ⅛"). The necessary combination clamps, Tee-connectors, etc. should also be quoted.

These copper tubes are proposed to be installed out-door or in-door as the case may be and will be subjected to high tropical temperatures the maximum being about 120°F in the sun. The tubes offered should be able to withstand the climatic extremities.

The tubes should be of best annealed electrolytic copper and of conductivity as specified in the latest edition of B.S.S. No. 159. The metal shall have a bright smooth finish, free from seams, cracks and other imperfections. The tubes shall be free from torsional twists, bends, etc.

Tenders should be in terms of f.o.r. Mysore basis and must be accompanied by full technical particulars and detailed drawings for the expansion joints, clamp type connectors etc.

The rate quoted should be firm for a period of one month from the due date of tender. The rate should be quoted both in words and in figures. The earliest time within which delivery would be effected should be specified.

No enhancement in the rate for whatever causes will be permitted when once the quotation is accepted and orders placed therefor. Withdrawal from the quotation after it is accepted will entail cancellation of the order and forfeiture of earnest money, if any. The successful tenderer should, if so required by us, deposit a sum equal to 5 per cent of the value of the order as earnest money for the satisfactory execution of the order in accordance with the terms and period of delivery specified in the order.

The Chief Electrical Engineer does not bind himself to accept the lowest or any tender but reserves to himself the right to accept or reject any tender at his discretion.

Supply on our order will be subject to the general conditions of contract prevailing in the Department for local purchases.

The tenders should be superscribed as "Tender for supply of Copper Tubes to be opened on 28th February 1950 at 3 P.M."

OFFICE OF THE COMPILER, *MYSORE GAZETTE.*

NOTICE.

1. The *Mysore Gazette* is published at Bangalore every Thursday. Matter for publication in the Gazette is often sent late to the Press. This involves considerable inconvenience to the Press and expense to Government. All matters intended for publication in Parts I, II, III, IV, V and VI should therefore reach this office not later than *Monday Evening*, and that for Part II not later than *Tuesday Evening* for the following Thursday's issue of the Gazette. All matters received later than those days will be kept by for insertion in the following issue of the Gazette. (G. O. No. P. 988-1040—P. & S. 12-30-2, dated 26th July 1930.)

2. (i) Spare copies of notifications, etc., are often asked for long after their publication, when the matter has been broken up, necessitating its re-setting and thereby causing inconvenience to the Press and waste of money. When spare copies are wanted, a note to that effect stating the number of copies should be made at foot of such manuscript.

(ii) Indents for less than 100 spare copies should not be sent to the Press, subject to the exceptions contained in G. O. No. G. 14330-95—P. & S. 5-19-9, dated 23rd December 1919, in regard to notices calling for tenders for the purchase of stores or for the execution of works. When a few copies only are required, they may be made available by the use of carbon sheets simultaneously with the preparation of a copy for the Gazette, as laid down in the above Government Order. (Letter No. G. 10382—P. & S. 9-37-2, dated 30th June 1938, received from the Secretary to Government, Development Department.)

(iii) When indents for an unusually large number of spare copies are sent, such instances will be brought to the notice of Government, as per letter No. G. 10382—P. & S. 99-37-2, dated 30th June 1938, received from the Secretary to Government, Development Department.

3. Matter sent for insertion in the Gazette will be published *only once* and the abstract in two issues. (G. O. No. G. 2915-6—P. &. S. 44-25-2, dated 13th September 1926).

4. Applications for the supply of the Gazette on *Public Service* should be made to the Chief Secretary to the Government of Mysore.

5. As per G. O. No. E. 1892-1902—P. & S. 12-23-13, dated 8th December 1923, and G. O. No. 5139-95—P. & S. 52-30-1, dated 12th November 1930, the English or the Kanarese portion of the *Mysore Gazette*, consisting only of the five Parts, *viz.*, I, II, III Section 1, III Section 3, IV and V taken together or an entire copy of the English or Kanarese Gazette containing all the parts will be supplied only to Patels, Nad-Patels, Shanbhogs and Sheikdars within the State at *half* rates on production of a certificate from the Amildar of the taluk to the effect that such applicant is *bona fide* on duty at the time or that he is on leave for a period not exceeding three years. Such subscribers will please note that the Gazette cannot be had *in separate parts* at concession rates under any other conditions and that they have to pay the full subscription for the part or parts required.

6. As Government Treasuries in Mysore are authorized to receive and credit Gazette subscriptions as well as publication charges remitted by Courts or private parties, all such money should be sent to Treasuries and only Treasury receipts forwarded to this office. No money orders or cash will be received by the undersigned except from parties outside the State.

7. Much inconvenience is caused to this office by subscribers omitting to give their full and correct addresses and writing illegibly on the money order coupons. They are requested to insert invariably the name of the Post Office to which their copy should be sent.

8. Communications on post cards or on paper less than quarter sheet of foolscap will not receive attention; and no communication should be sent on Government Service by private parties.

9. An efficient system of check and counter-check is maintained over the despatch of Gazette copies forwardod through post. Duplicates cannot be supplied in any case of non-delivery.

10. Complaints regarding non-receipt of the Gazette should be forwarded to the undersigned within a week after the date on which it is due.
